

MEN'S PATH OF THE CEREMONIAL ARTS

To survive and thrive, personally and as a community, we must learn how to connect with our essential selves and weave the spiritual and sacred back into our lives. In the Path of the Ceremonial Arts we explore how, as men, we embody and carry forward the Sacred Masculine in the present day

If you, as a spiritual being manifested in masculine form, are **interested in:**

- Learning to live from your heart and soul
- Bringing presence to all aspects of your life
- Connecting to the spiritual aspects of nature and the unseen
- Exploring co-creation with men (and women)

Then we invite you to join us for a
Free Introductory Evening
to learn about and experience the Men's Path of the Ceremonial Arts
at The StarHouse, in Boulder, on
Thursday, April 8th, 6⁰⁰ – 8³⁰ pm.

or an informal Introduction and Q&A Evening with PCA Men:
Thursday, April 22rd, 7⁰⁰ - 9⁰⁰pm

Co-Facilitated By: Alan McAllister, Siri-Jodha Khalsa, Toby Marchand
(Sponsored by All Seasons Chalice Church)
