

# THE PATH OF THE CEREMONIAL ARTS

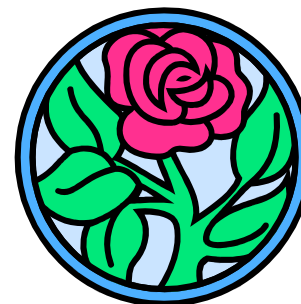

Since 1999, PCA has existed as a 'laboratory' of the Divine Feminine where women come together to remember and co-create an authentic expression of women's spirituality. We explore many aspects of ancient women's traditions including ceremonial skills, sacred council participation, ritual design, feminine mythology, listening to Spirit and personal authenticity --to mention just a few! We spend time in nature, making use of the elemental world and the beauty of the lands & forest around our temple, The StarHouse, in an organic combination of teaching and co-creative experience which honors the pulse of Divine Feminine Spirituality.

The PCA meets all day (and occasionally on additional evenings) on the first Saturday of the month from April-December. We are also starting a series of intensives and online courses, which will be available in the coming months. PCA is facilitated by Lila Tresemer and Anastacia Chittenden. Please email us your address ([ascpr@thestarhouse.org](mailto:ascpr@thestarhouse.org)), or call Anastacia at 303-245-8452. PCA website is coming soon!

## The Journey of the Feminine An Archetypal Walk for Women

*Come to  
the Circle....*

*Explore the  
Feminine Mysteries*

The Journey of the Feminine is a nine month (Monday evenings, April - December) sojourn into the mysteries of the Divine Feminine following the Goddess Quartet model of Maiden, Mother, Queen and Crone.

We call upon the arts of ceremony and ritual to journey with two goddess archetypes for each seasonal quarter. Each goddess journey is one month long. Through storytelling, council, journaling and Tarot we share how the qualities of each archetype are mirrored in our lives. Over the course of the nine month journey, we create an alchemical chalice of sisterhood held in sacred time invoking sacred memories.

The Journey of the Feminine is facilitated by Kate Carbone, Circe Moss and Sally Nurney. For more information on this program call Kate at 303-447-9003.
