

## FREE Event presenting our Women's Programs

Sunday, March 14th,

3:00 - 5:30pm

The StarHouse ~ 3476 Sunshine Canyon Rd.

Since 1991, women have gathered at The StarHouse for the *Women's New Moons* to share wisdom, seek answers and support one another. Since 1999, *Path of the Ceremonial Arts* (PCA) has existed as a 'laboratory' of the Divine Feminine where women come together to remember and co-create an authentic expression of women's spirituality. Both of these programs will be explored at our Introductory Afternoon, March 14th, through brief presentations, Q & A, and a **ceremonial experience not to be missed!**

In the PCA, we explore aspects of ancient women's traditions including ceremonial skills, council, feminine mythology, listening to Spirit, and personal authenticity. We spend time in nature, making use of the beauty of the lands & forest around our temple, **The StarHouse**, in a combination of teaching and co-creative experience. At the Women's New Moons, we experience ceremonial offerings from the sisterhood of the MoonPath.

*Path of the Ceremonial Arts* meets all day (and a few evenings) on the first Saturday of the month from April - December. **We are currently accepting applications for our next cycle, which begins in April 2010.** Our New Moon program is on a drop-in basis, meeting the second Wednesday of each month at 6:30pm, near the celestial New Moon night, from March through December. (Visit [www.TheStarHouse.org](http://www.TheStarHouse.org) for Moon Events Calendar.)
